

**Department of Interior  
Bureau of Reclamation  
Approved Position Descriptions as of 03/23/2022**

**Notes pertaining to the PD listing:**

This list must NOT be used as documentation of coverage of a PD. A PD is covered ONLY when an approval certification or letter is signed by either the DOI Special Retirement Designee, or by the Office of Personnel Management. If you have a PD and a coverage certification that is not on this list, please notify us. If there are errors in our list please send us a note of the error, with supporting documentation. If you do not have a copy of the coverage certification for one of your current PDs, please contact us and we will provide you with a copy.

In some cases, you will see more than one PD listed with the same position number/organization code. The most current version of the PD should be used.

If the PD is rewritten, or if the major duties, title, series, grade, position number, or classification date change, then the PD must be submitted to the FLERT office for a new DOI decision.

Remember, employees in PDs that are NOT covered who think they should be covered must file an individual request within 6 months (for FERS) or 1 year (for CSRS) of entering the PD. **If a PD is not on this list, it may not be covered.**

The Certification of Position Approval must be filed on the permanent (right-hand) side of the incumbent's OPF, in accordance with OPM's CSRS/FERS Handbook, Chapter 46, Section 46A3.2-1(A). If there is no coverage documentation for a PD, then the PD is not covered. (An individual's coverage in a position, based on approval of his/her individual claim, DOES NOT cover his/her PD).

**The codes on the PD list have the following meanings: S/A = Secondary Administrative; S/SP = Secondary-Supervisory; P/R= Primary/Rigorous; FF= Firefighter; LEO= Law Enforcement Officer**

**Anytime a change is made to a PD, whether it's a standard/benchmark or not, the PD needs to come through the FLERT office for a determination for special retirement coverage. This also includes standard/benchmark PDs with assigned bureau-specific PD numbers. Having each number on file makes it easier for individual claims to be processed. FLERT maintains a database of all PDs within DOI that have been submitted for special retirement coverage.**

**FF/LEO Training materials are available at: <https://www.doi.gov/flert/> These cover just about everything you want to know about firefighter and law enforcement special retirement. Please share with other SPO's, supervisors and FF/LEO employees. The training is in two sections; one for employees and one for HR specialists, managers and supervisors. Both sections are recommended for personnelists and supervisors of FF/LEOs. FF/LEO employees should view the employee section.**
